

THIS IS HOW YOU
BOOK A LESSON SERIES
VIA THE APP

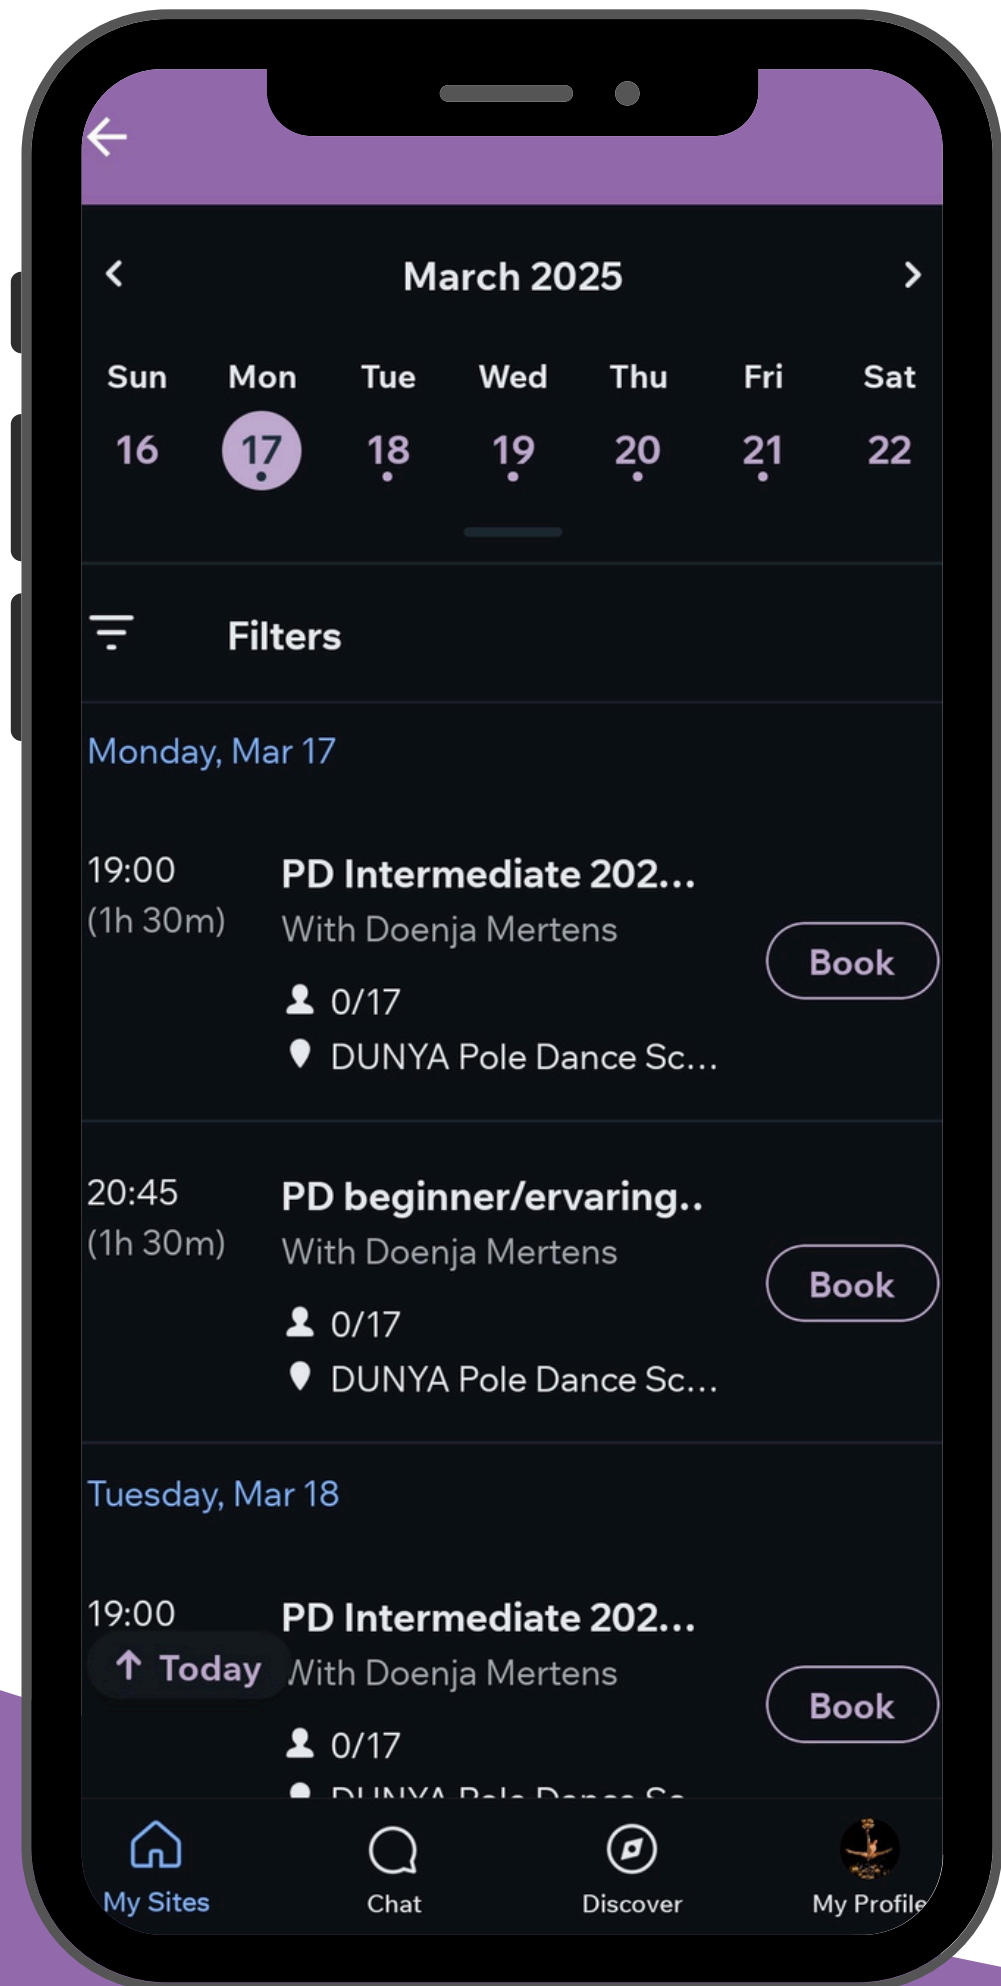

Go to **My Sites** at the bottom of the page.

Choose **View All** under **Upcoming sessions**.

If you see a pop-up for the Fit by Wix app, you can close it. While it's very similar, it has fewer features than the main app you'll be using.

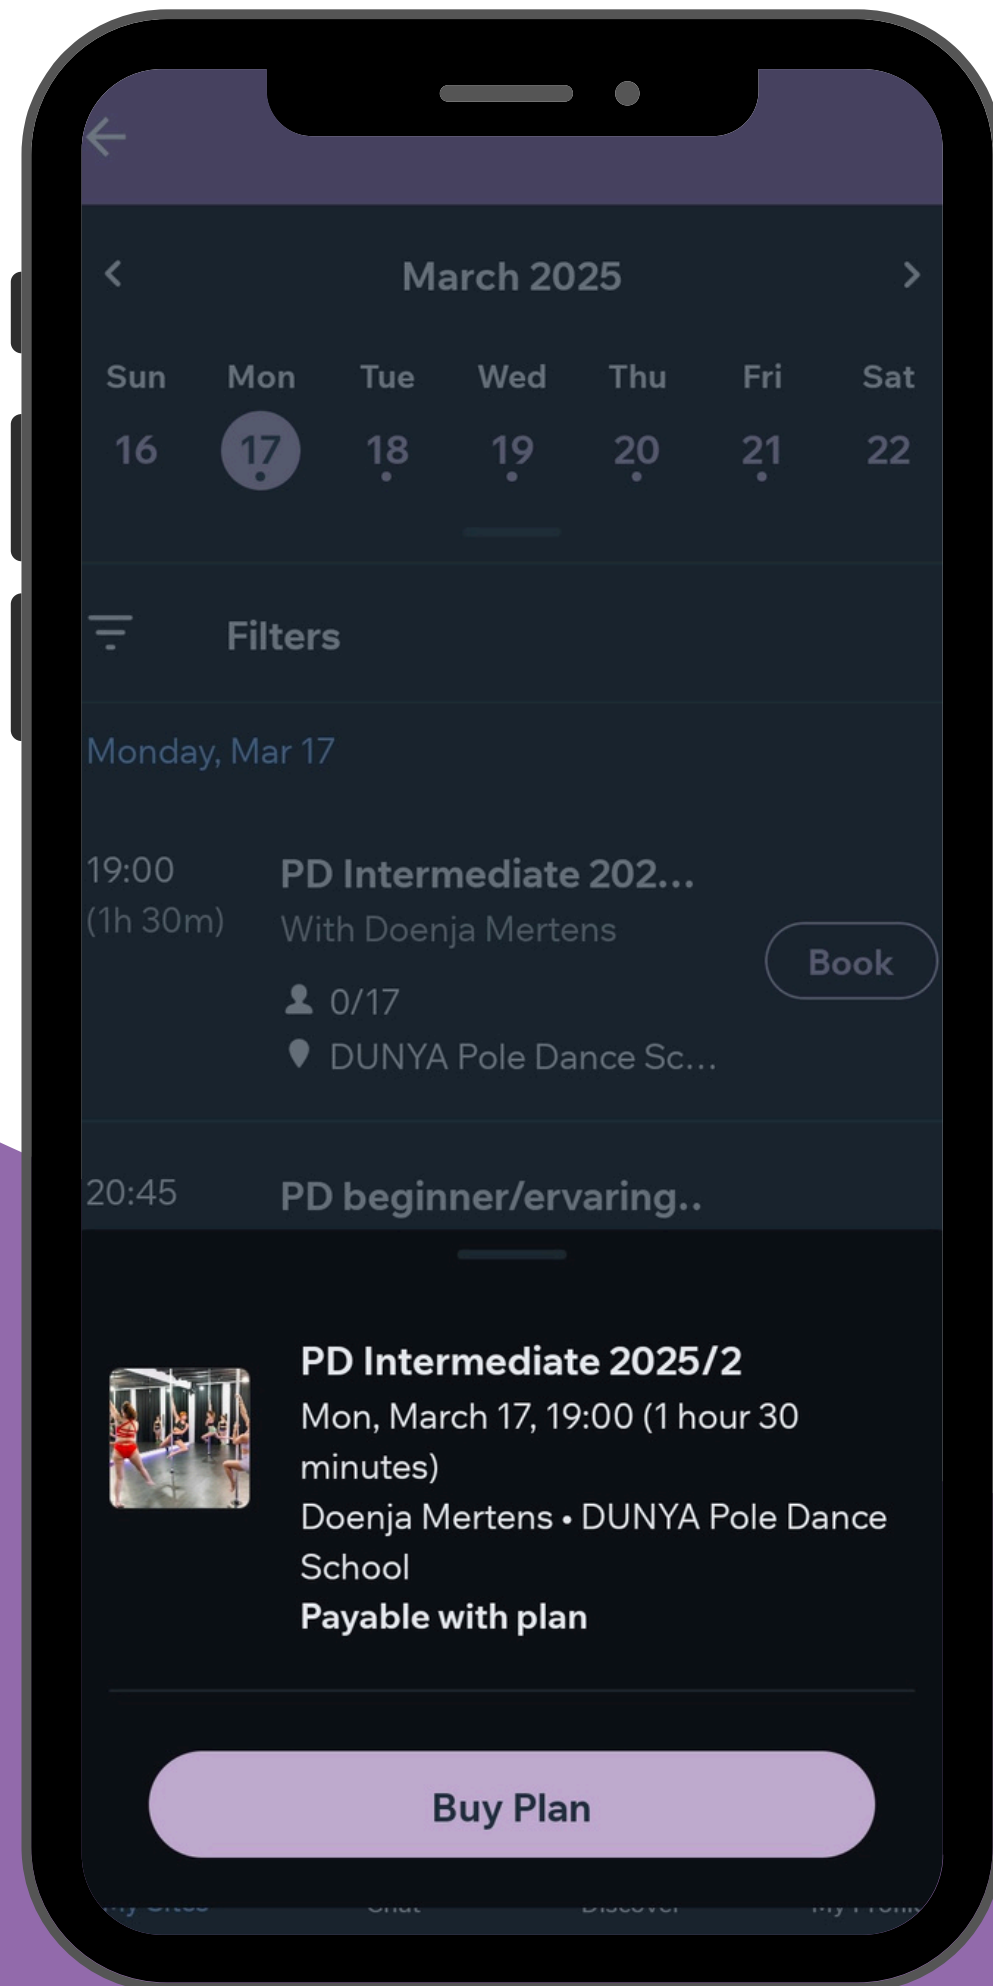

In the calendar, use the arrows to navigate to the start date of the series: **March 17th.**

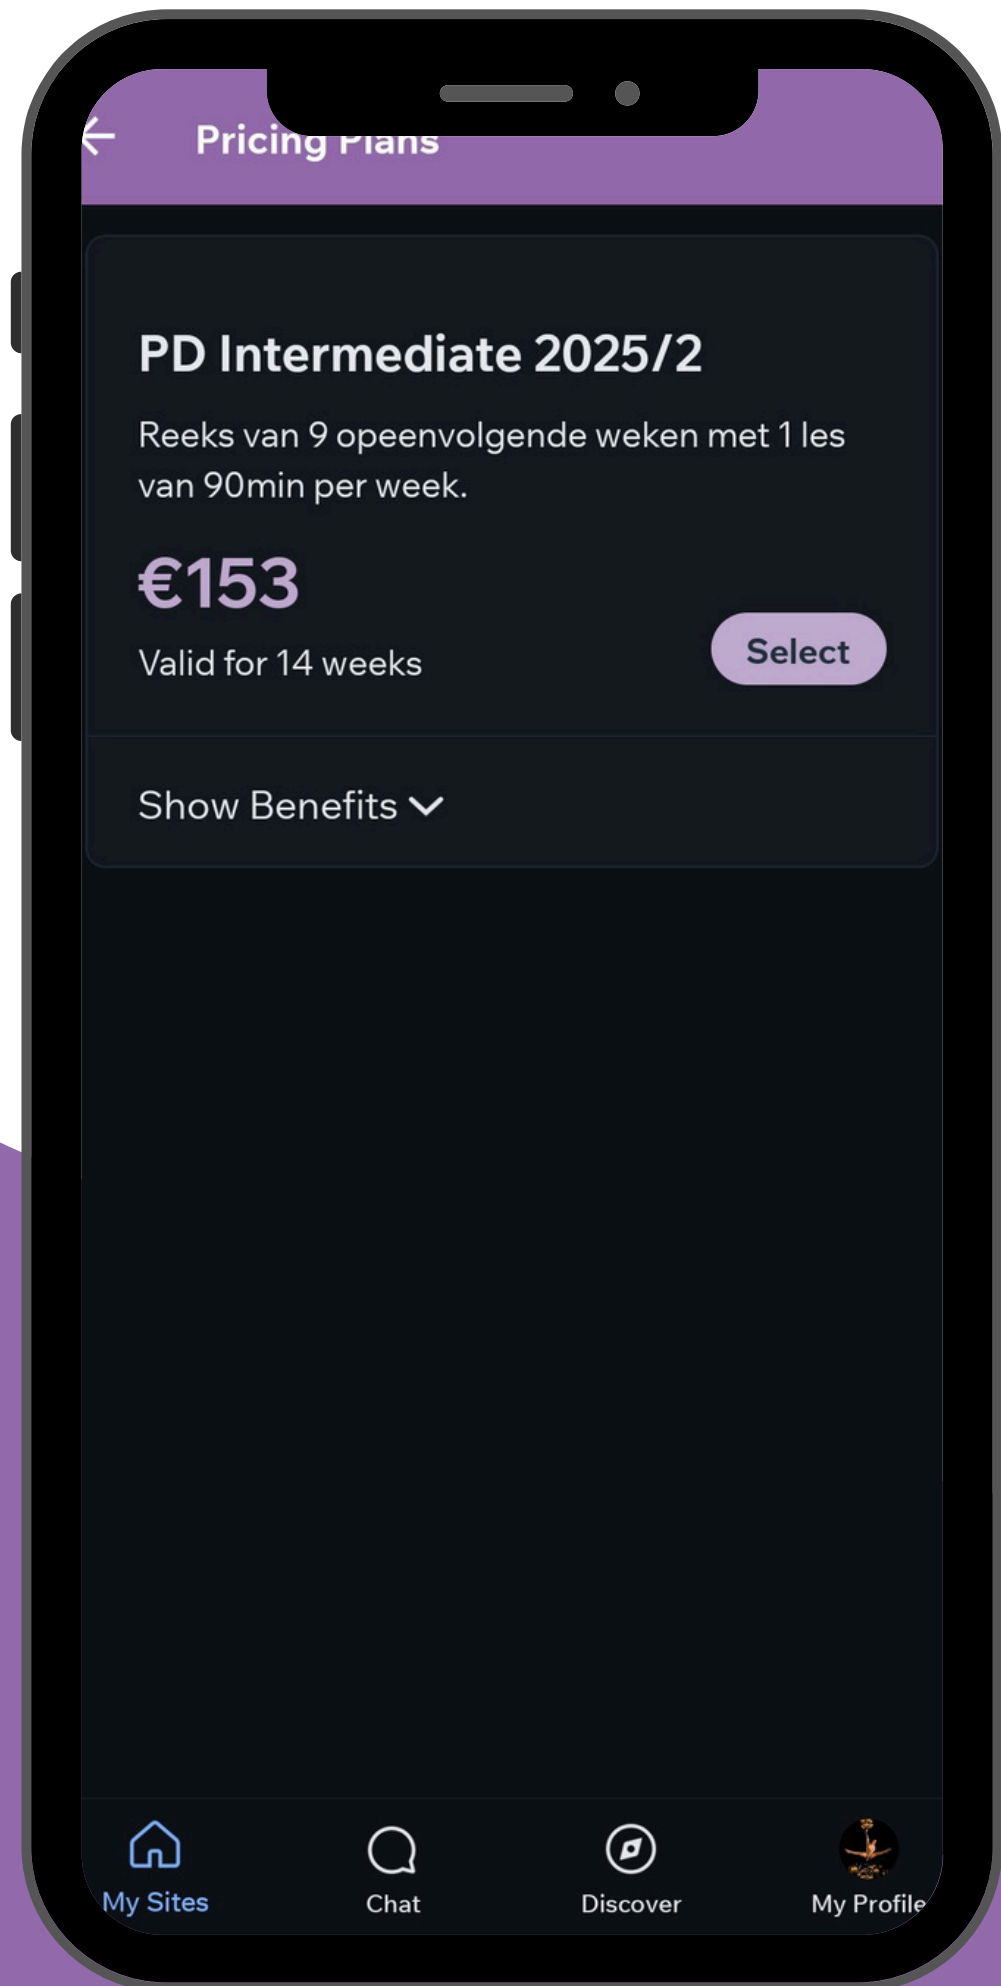

Choose **Book** for the lesson on your desired day and time.

IMPORTANT

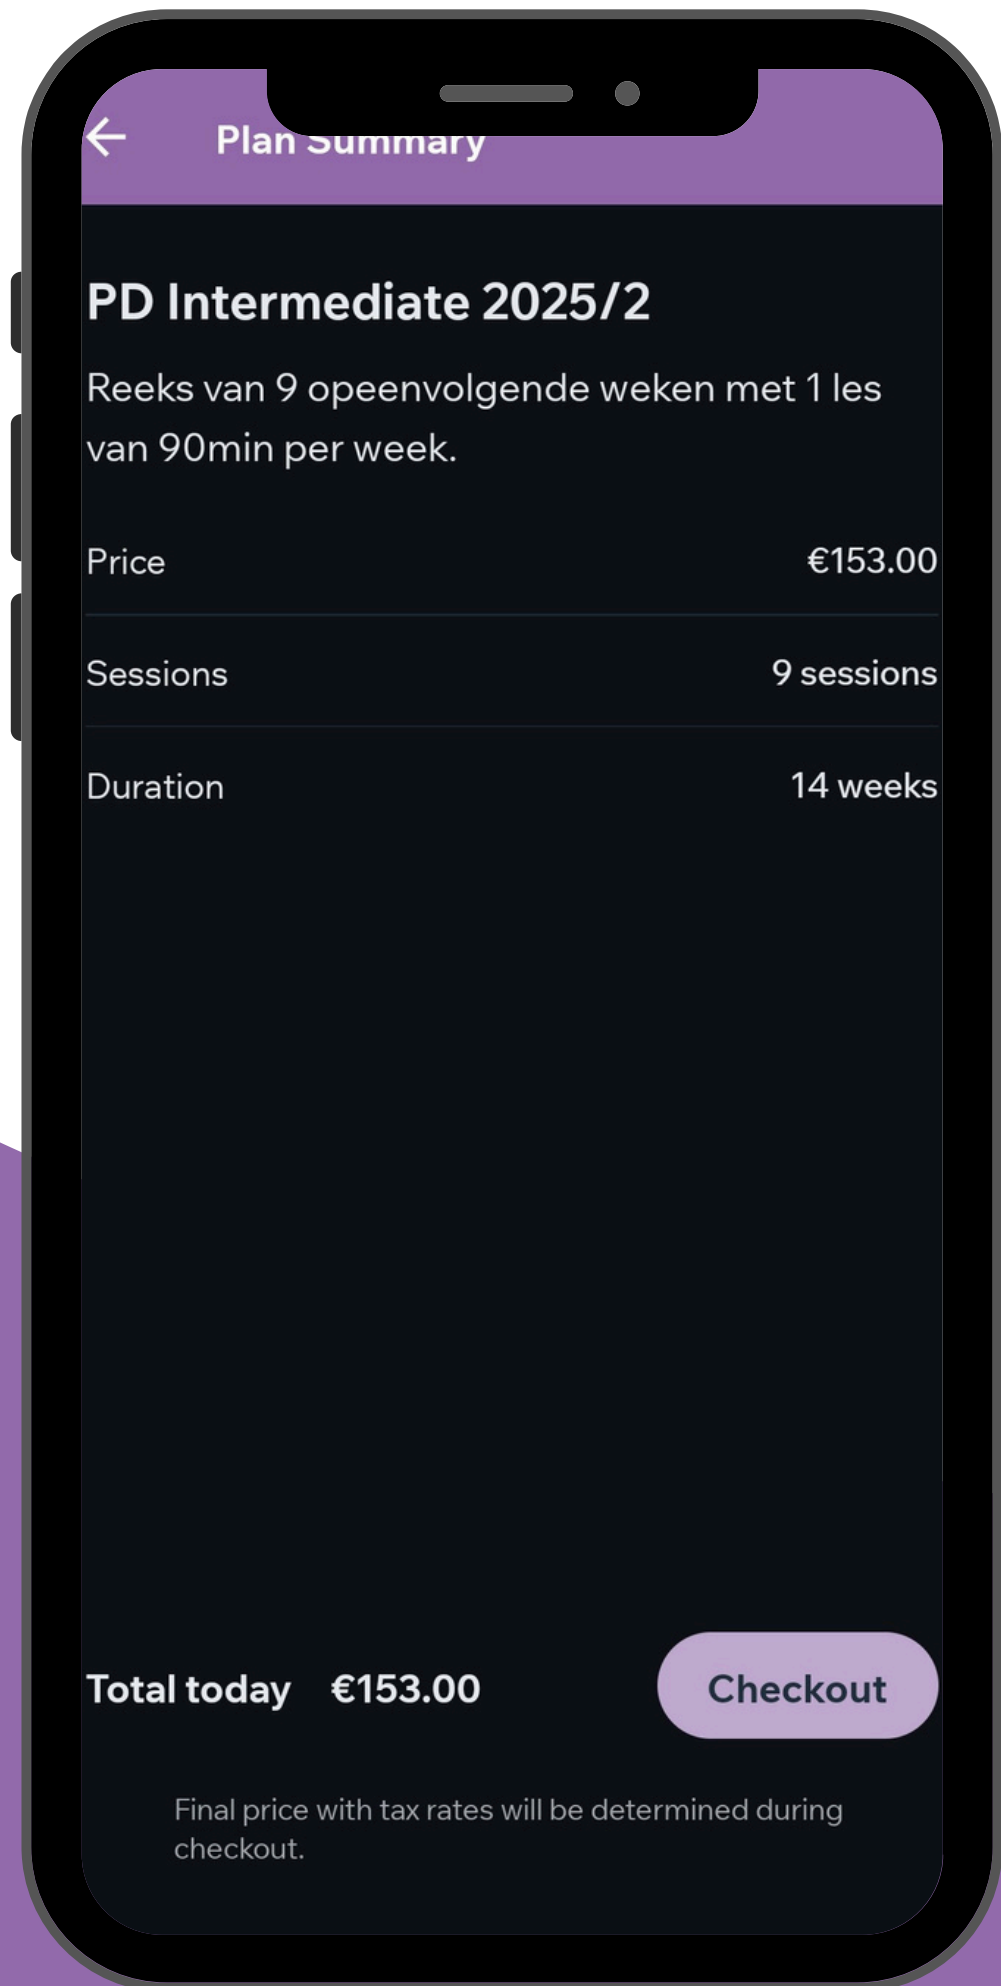

Even if you can't make it the first week, sign up for this week anyway. If you don't, you won't be registered! Cancellations and rescheduling are possible from the start date of the lesson series.

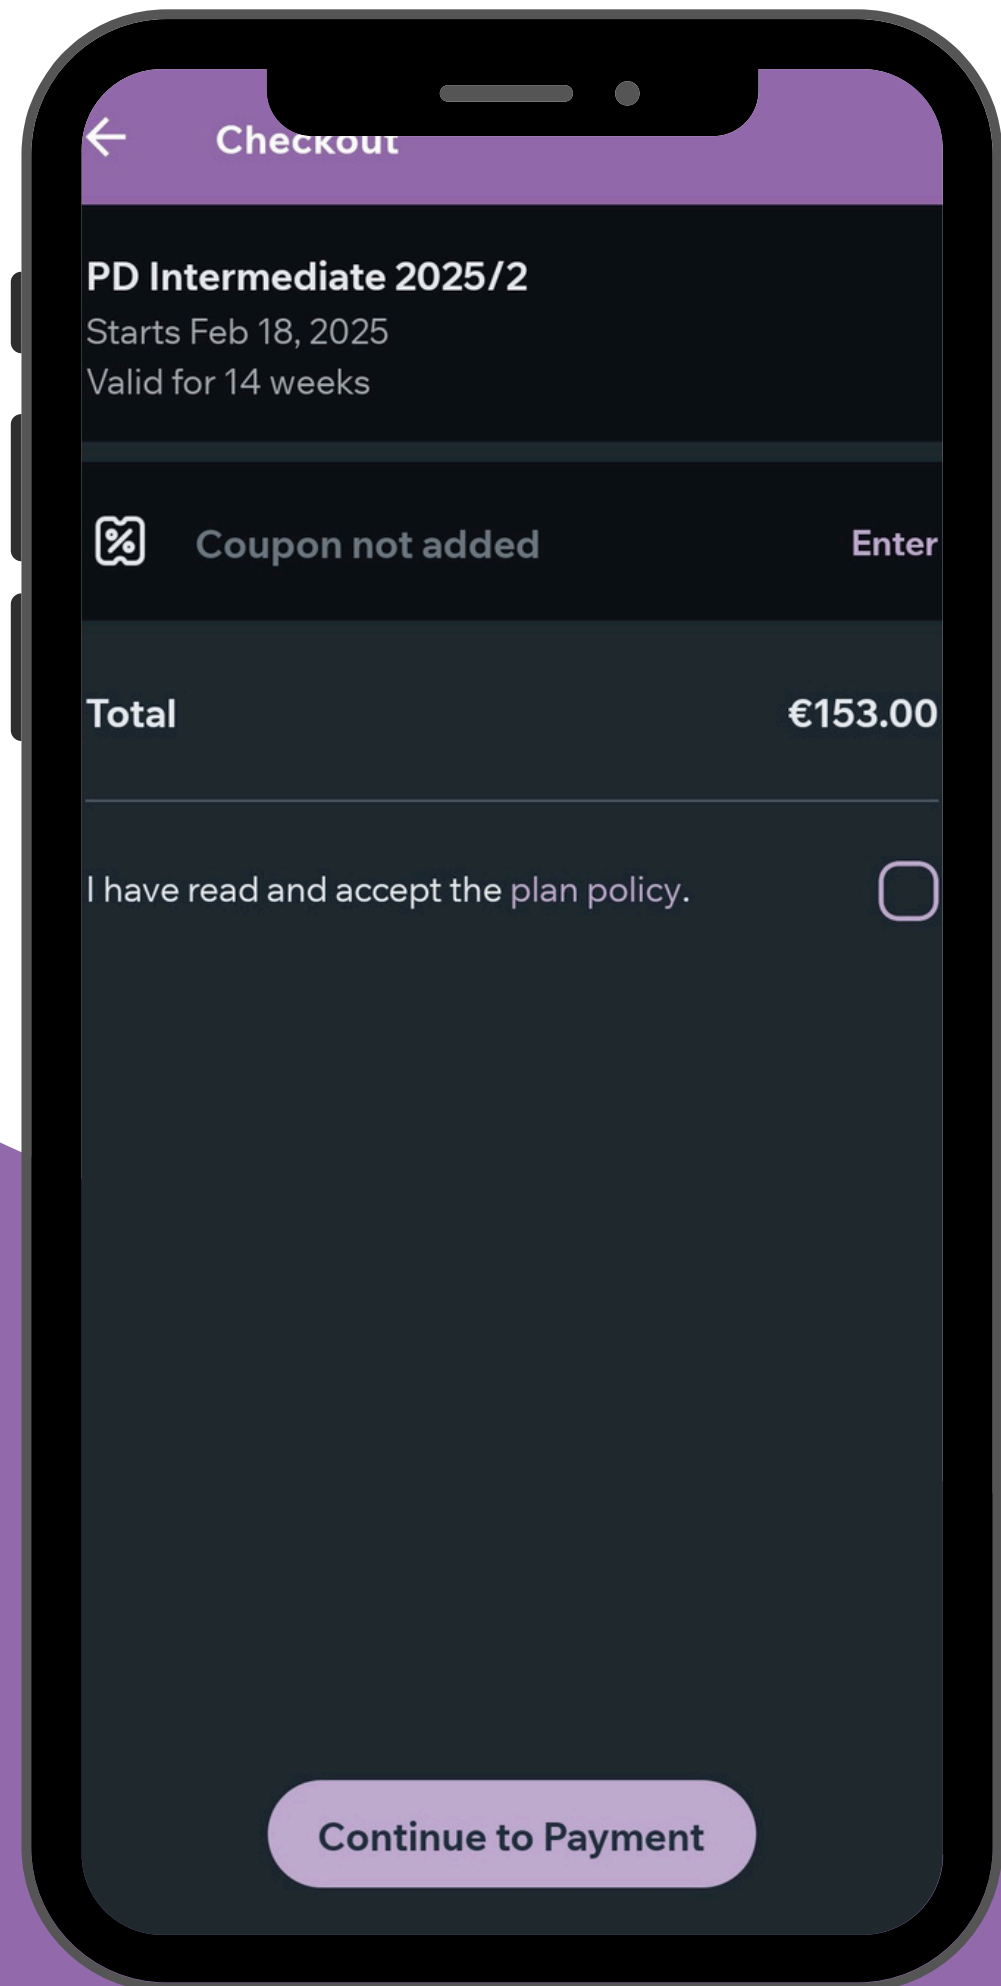

Make sure you have selected the correct group, and then choose **Buy Plan**.

Confirm by tapping **Select**.

In the overview at the bottom,
choose **Checkout**.

Here you can enter a coupon code if you have one, and accept the terms and conditions.
Then, follow the steps to complete the payment

Congratulations! You are now registered for the entire series of lessons!

Currently, you will only see a booking in the 1st week of the series. We will ensure that you are also registered for all other weeks at the latest the day before the start of the series of lessons.
